**ENVIRONMENTAL HAZARD**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. 

This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

For overall lawn applications:

- Turfgrass and Heavy Growth St. Augustine Lawns
- Lawns and Turf Grass
- Moss, Weeds, and Other Insect Pests

**DIRECTIONS FOR USE**
