

Davis D'Limonene Shampoo contains 5% D'Limonene in a deep cleansing base to create a professional quality, insecticide-free shampoo. D'Limonene is ideal for use on pets with oily skin and will help eliminate unpleasant odor while leaving a long-lasting citrus fragrance. The highly concentrated, penetrating formula keeps the coat cleaner longer and contains special conditioners that leave it soft and manageable. **Davis D'Limonene Shampoo** is pH balanced and provides a high sudsing, easy-to-rinse lather. It is all natural and can be used with spot-on and spray-on insecticide products.

DIRECTIONS FOR USE

Wet coat thoroughly with warm water. Apply shampoo to head and ears, then lather. Do not get shampoo into eyes. Repeat procedure with neck, chest, middle and hindquarter, finishing with legs. Allow shampoo to be absorbed for 5 to 10 minutes then rinse thoroughly.

Do not use if pet is allergic to D'Limonene. Do not use on puppies and kittens under 12 weeks of age.
