The Roundup PROMAX[®] 30-minute Rainfast Warranty

If an area treated with Roundup PROMAX[®] requires respraying due to rainfall occurring 30 minutes or more after application, Monsanto will replace the full amount of herbicide applied at no cost to you.

WHAT YOU GET:

- Rainfastness within 30 minutes of application
- Superior weed control you can count on even in the toughest weather conditions
- Fewer rain delays
- Herbicide cost protection in the event of unexpected rain

The Rainfast Warranty is valid on any area treated with labeled rates of Roundup PROMAX that require a respray due to an unexpected rainfall occurring 30 minutes or more after application.

For more information on how you can spray with Roundup PROMAX and the added confidence of our 30-minute Rainfast Warranty, visit RoundupPROMAX.com.
