SURRENDER® is an insecticide for control of pests in certain crop areas. The active ingredient in SURRENDER® is acephate, an organophosphate that inhibits cholinesterase. It is effective against a wide range of pests, including fire ants, which may be particularly challenging to control in certain environments.

**FIRST AID**

- If swallowed: Call a poison control center or doctor for treatment advice.
- If inhaled: Call a poison control center or doctor for treatment advice.
- If on the skin: Wash with soap and water for at least 15 minutes.
- If in the eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- If on the clothing: Remove the clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**PRECAUTIONARY STATEMENTS**

- **SAFETY DATA SHEET**
  - Contains an organophosphate that inhibits cholinesterase.
  - Use this product with care, as it is toxic to humans.
  - Always follow all use directions and precautions on the labeling.

**WARNING**

- This product is hazardous to humans. Use only as directed.
- Do not enter or allow others to enter areas where the product is applied until dusts have settled.
- Do not apply this product to foods or foodstuffs unless specifically permitted.
- Do not allow children to enter the treated area until dusts have settled.
- Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment.

**INFORMATION**

- **USES & INDICATIONS**
  - For mound treatment of fire ants and harvester ants in turf.
  - For treating mounds of fire ants and harvester ants in turf.
  - **TREATS UP TO 10B FIRE ANT MOUNDS**

**USES & INDICATIONS**

- For mound treatment of fire ants and harvester ants in turf.
- For treating mounds of fire ants and harvester ants in turf.
- **TREATS UP TO 10B FIRE ANT MOUNDS**

**IMPORTANT INFORMATION**

- **READ BEFORE USING PRODUCT**
  - For best results apply the material in the early morning or late afternoon when the ants are most active.
  - Applications made under prolonged hot and dry conditions may be ineffective due to the location of the fire ants deep within the nest. Grass in treated areas may be injured. Do not treat mound more than once per season.

- **PESTICIDE STORAGE AND DISPOSAL**
  - Keep pesticide in original container. Do not put contaminated or dirty pesticide into stock or drain containers. Store in a cool, dry location.
  - Allowed to dispose waste in a landfill or by burning. If burned, stay out of smoke.

- **CONTAINER HANDLING**
  - Empty container through use according to label instructions. Do not place into trash or other waste.
  - storage in a cool, dry location.

- **LIMITED WARRANTY**
  - Control Solutions, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for use under average conditions when used strictly in accordance with the directions on the label. To the extent consistent with applicable law, Control Solutions does not make any representations or warranties in regard to any medical, business, or legal effect of this product, its ingredients, or their actions, and it is not liable for any claim, suit, or action based on the use of this product.

**NON-AGRICULTURAL USE REQUIREMENTS**

- The use of this product in non-agricultural areas is subject to the following additional requirements:
  - Non-agricultural products, as defined by the Environmental Protection Agency (EPA), shall be used only by professional applicators, and such applicators shall be registered with the state or local regulatory authority.
  - Application of this product in non-agricultural areas shall be done only by licensed applicators.

**LABEL INSTRUCTIONS**

- **PRE-APPLICATION**
  - Do not apply under conditions involving possible drift to food, forage or other plants that might be damaged or the crops thereof would be unsuitable for sale, use or consumption.
  - **NOTE TO PHYSICIAN**
    - Avoid contact with eyes, skin and clothing.
    - Avoid breathing dust.
    - Wash hands thoroughly after handling.

- **APPLICATION**
  - For application of this product, follow all use directions and precautions on the labeling.
  - **APPLICATION RATE**
