

Davis Odor Destroyer™ is a proprietary, one-of-a-kind blend that destroys foul odors through an exothermic reaction synthesis. This unique formula captures and destroys malodors by breaking down the molecular structure. Odors caused by urine, feces, vomit, decaying organic matter and skunk encounters are eliminated almost immediately upon contact. **Davis Odor Destroyer** contains a pleasing fragrance to freshen the air.

Odor Destroyer™

Environmentally Friendly

FOR THE ELIMINATION OF MALODORS

DIRECTIONS FOR USE

Dilute 2-4 oz. in a gallon of water and spray directly on malodor. For extremely offensive or stubborn malodors, apply full strength. To test for compatibility, apply to a small inconspicuous area before using on the entire surface.

To use as an additive in shampoo or mopwater, add 2-4 oz. per gallon. Do not get into eyes or open wounds.

To use as an animal rinse or spray, add 2-4 oz. per gallon of water. Spray or rinse animal as needed. Do not get into eyes or ears and avoid genital area.

Environment Friendly
